*We will follow this schedule for the three weeks of PBA testing, beginning February 17th, and ending March 6th. This schedule will again be put in place during OGT testing from March 16-20. There will not be a two-hour delay schedule for any of the PBA, or OGT testing this year.

*During PBA and OGT testing, a snow day will result in the testing schedule being moved over one day. This will also be the procedure for 2-hour delays, as no testing will occur on a 2-hour delay schedule. (We would follow the normal 2-hour delay schedule we have used all year).
