WELCOME BACK!

Facebook

Western now has a Facebook site. This site will be used to assist in community conversation and keeping the community up-to-date on the events and activities that are taking place at Western.

Feel free to like the page at <https://www.facebook.com/westernelementary>

✧ Outside Recess ✧

Winter weather is upon us, and we will continue to go outside for recess unless the temperature, with wind chill, feels like 20 degrees or below. If recess is outside and there is snow on the ground, students may play in the snow if they bring the following items: hat, gloves or mittens, boots, snow pants, and a winter jacket. If students do not have these items they will be limited to play on the blacktop. We encourage all students to participate in outside recess, so it is important to make sure that students have proper attire for the current forecasted weather.

If it is too cold to go outside for recess, students will have inside recess. Recess may consist of watching a movie. A list of movies that could be viewed during recess are listed in the student handbook. All movies that will be viewed during recess are rated G. If you would prefer that your student opt out of viewing a movie, please, feel free to contact me at eggerton.genelle@lexington.k12.oh.us.

It is our goal to go outside during recess as much as the weather allows. However, sometimes the weather limits our goal. Again, if you have further questions, please, feel free to contact me.

In Service to Children,

Mrs. Eggerton

Upcoming Events

January 5- PTO Meeting @
Eastern at 7:00 pm

January 15- End of the 2nd-Nine
Weeks

January 18- No School

January 22- Grade Cards
Go Home

January 28- Early Release
