Things to Keep in Mind

- CC+ allows for flexibility with graduation – College course counting toward HS grad. requirement; check with your Principal or Counselor first! Not every course will fit a requirement; eligibility and worst-case scenarios must be considered.
- Students need to allow for travel time between the college and high school when scheduling classes.
- Students may not miss any part of a high school class in order to make it to a college class – please schedule carefully.
- All books are the property of Lexington schools and need to be returned by the 5th day after a course has ended.
- Financial responsibility: Student's responsibility to pay for failed courses, or a class dropped after the drop period (14 calendar days after course begins).

THANK YOU!
