2019-2020 School Year

BGSU BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

What is College Credit Plus?

College Credit Plus is Ohio's dual credit program

o   Students earn high school and college credit at the same time

o   Students enroll in college courses and adhere to the requirements of the college

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

What is College Credit Plus?

Students in Grades 7 through 12:

- Must complete an assessment exam and be determined "eligible" or deemed as "college-ready" for College Credit Plus

- May apply to any public college or participating private college

- May apply to multiple institutions

CollegeCredit **PLUS**

What is College Credit Plus?

Students in Grades 7 through 12:

- May choose from a variety of college-level courses (as determined by placement testing)
- Must be Ohio residents
  - *For students who have not lived in Ohio for 12 consecutive months (just transferring into Ohio from an Out-of-state high school) they must have a parent living and working full-time within the state of Ohio.*

What is College Credit Plus?

Students in Grades 7 through 12:

- Can earn credit to satisfy both high school and college requirements

  - 3+ Credit Hours = 1 High School Unit

- Must successfully complete the courses in order to earn the credit

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

What is College Credit Plus?

Students in Grades 7 through 12:

- May take classes in the summer, fall, and spring semesters

- May take courses at the high school[1], college campus, or online

    [1]This option is available if the high school has partnered with a college or university to offer college courses at the high school

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

How can students participate?

STEP 1-Most Important!

*Refer to the BGSU Application Check List

1. Application is on-line

2. Student must meet state eligibility requirements including taking an assessment to determine "college readiness"

- Assessment exam examples:

  ACT, SAT, OR Accuplacer Next Generation

- Each college/university may have different exam requirements

  At BGSU-Applicants Should Have A Cumulative GPA of 3.0 AND

  ACT-Reading Score-22 (20-21)   OR

  SAT-EBRW 480 (450-479) OR

  Accuplacer Next Generation-Reading Score 250 (243-249)

BGSU BELONG. STAND OUT. GO FAR. CHANGING LIVES FOR THE WORLD.

CollegeCredit PLUS

How can students participate?

- If a student's assessment scores are not deemed "college-ready," other conditions may be considered depending on the *exam scores **AND** if the student has one of the following:

  An Overall/Cumulative GPA of (3.0) **OR**

  Recommendation form/letter from one of the following:

  School Counselor, Principal, or Career-Tech Advisor

CollegeCredit PLUS

Refer to the following state handout:

College Credit Plus: Student Eligibility Assessment Testing

Updated April 2, 2018

*Other colleges and their application process

What does being "college-ready" really mean?

Being "college-ready" is more than just being academically ready

- Consider emotional and social transition and college expectations
- Consider time management & organizational skills
- Are you the type of student who needs more instructional time?
- Are you the type of student who is motivated by academics and achievement?
- Does the student have a passion for learning?

CollegeCredit PLUS

What courses can a student take?

- If taking college classes on-campus or on-line, an assigned College Advisor will help students choose which courses they can take and teach them how to register for classes.

Based on test assessment scores

Based on course prerequisites

- If taking college classes offered at the high school, the School Counselor will send a course roster and an assigned advisor will complete the registration process for the students.

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

What courses can a student take?

- Courses can satisfy high school graduation requirements

  School Counselors can help students understand requirements and course substitutions

- Schools might have additional requirements in addition to the state minimum such as a Senior Capstone or Senior Service-Project

- Courses must be college-level or non-remedial (Level I for first 15 hours)

- Students may take courses in subject areas that are not offered at high school as elective choices as long as they don't have undergraduate program entrance requirements, prerequisites, or excessive fees

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

Level I Courses

The First 15 College Credit Hours

- Transferable courses

- Courses in IT, Computer Science, Anatomy & Physiology, foreign language

- Courses that are part of a technical certificate

- Courses that are part of a 15- or 30-credit pathway

- Courses in study skills, academic or career success

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

Non-allowable courses include:

- A private course with one-on-one instruction

- Courses with high fees

- Study abroad courses

- Physical education courses

- Pass/Fail graded courses

- Remedial courses or religious courses

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

Grades

- College Credit Plus grades earned in the college course is the same grade that will be on the high school transcript

- Grades will be factored into the high school and college GPA

- If a high school uses a weighted grading scale for Advanced Placement, International Baccalaureate, or Honors courses in a subject area,

    -Then College Credit Plus courses in the subject area will be weighted using the same scale

- Students must complete End of Course exams for English, Math, and Science

    -School Counselors can inform students which college courses will exempt them from End of Course exams in other subject areas

How many classes can students take?

ONLY 30 COLLEGE CREDITS CAN BE TAKEN EACH ACADEMIC YEAR THROUGH CCP:
<u>Formula</u>: # of High School courses x3 and subtract that number from 30

<u>Example:</u>
Student is enrolled for 3 secondary units at high school that include:

Band (1), Spanish (1), Chemistry (1)

3 HS Courses X (3)=9

30-9=21

Student is eligible to take 21 college credit hours during the current academic year

(Summer, Fall, Spring)

How many classes can students take?

- The maximum number of college credits allowable during the program is 120

- Graduating seniors cannot take courses in the summer through CCP

- If a student enrolls in more than 30 credit hours in an academic year:

    School will discuss with the student whether to:

1. Drop the course or

2. Pay for the entire course at the college's undergraduate tuition rate

    If a student enrolls in more than 30 credit hours and PAYS for the course:

Student/family will assume the cost of course credits/tuition and books

What are differences between high school and college?

Tests:

- High School: Tests are sometimes given weekly or at the end of the chapter
- College: Tests are generally fewer in number covering more material

Study Time:

- High School: Required homework ranges between 1 to 3 hours per day
- College: Standard rule of 2 to 3 hours of homework for every hour spent in class (3 to 5 hours per day)

Knowledge Acquisition:

- High School: Information provided mostly in-class. Out-of-class research is minimal.
- College: Coursework will generally require more independent thinking, longer writing assignments, and out-of-class research

CollegeCredit PLUS

Other differences between high school and college?

<u>Parent Role:</u>

- High School: Parents are strong advocates working closely with teachers and counselors

- College: Parent serves as a mentor and support for the student; the college views the student as independent decision-maker

  The Family Education Rights and Privacy Act (FERPA) protects student education records

What are the benefits of participating?

- Students can earn high school and college credits at the same time

- Students can get a "head start" on college degrees or certificates

- Students can experience college early to understand the expectations of college life

- Students can save tuition and textbook costs-BGSU also waives parking pass fee

- Students can take courses that are not offered at the high school such as Music, Philosophy, Theater, or Advanced History/Language

- Students can experience diversity by exposure to students of different ages, backgrounds, and beliefs

- Students can get involved on campus, attend athletic events, or use other college resources

CollegeCredit PLUS

BGSU BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

Other benefits include support services for students

- College advisors provide course selection assistance
- Students can learn more about college degree requirements and how the classes they are taking apply to the degree check sheets
- Tutoring is free and includes almost all subject areas
- Students can utilize Career Services Office for help with creating resume or looking for internships
- Students with IEP's-Accessibility Services

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

What are the cautions to be aware of?

- Leaving the high school can be a major social adjustment

- Transportation and separate academic calendars

- Time-management can be difficult

- If students fail or withdraw too late from a college course, the district may seek reimbursement for the tuition costs from the student/family

- The grades that students earn are on the college transcript **forever**

- If students fail or withdraw often, future financial aid may be impacted negatively

- If students perform poorly, they may be placed on CCP probation or be dismissed by the college

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

College Credit Plus Probation

- A student will be placed on CCP probation if he or she earns a 2.0 GPA or less in CCP course *or* withdraws from 2 or more courses in an academic term.

- **While on CCP Probation, the student:**

  - May *only* enroll in one College Credit Plus course for one college term (semester or quarter).

  - May not enroll in the college course in the same subject in which student previously earned D or F or received no credit.

- **If students on CCP probation do not increase their College Credit Plus GPA to a 2.0 or above during the probation term, they will be placed on CCP Dismissal**

CollegeCredit PLUS

CCP Dismissal Appeals

➢ After one college term (semester) on CCP Dismissal, students may submit an appeal to request the high school (or middle school) to allow participation in College Credit Plus

- Each school must have a policy (talk to your school counselor) describing the process for appeals

- The college can deny the student readmission based on past academic performance

CollegeCredit PLUS

More cautions to be aware of?

- On-Line Courses demand much more self-discipline and time-management skills
- Students must take notes in class during lecture time
- More time spent on reading, discussion in class, and critical thinking
- Group work can be difficult
- Very little time for socializing with friends
- Coursework is geared toward adult-learners and the idea of academic freedom
- Academic progress reporting is the responsibility of the student
- Grades earned in college courses get calculated into the high school GPA
- Student must check e-mail daily and Canvas account

CollegeCredit PLUS

What about athletic eligibility?

Student athletes should:

1. Confirm their school is an Ohio High School Athletic Association (OHSAA) member

2. Learn the OHSAA requirements

3. Know that summer term CCP courses <u>may not</u> be used to bring a student into compliance with the OHSAA requirements for interscholastic athletic participation

4. If required, obtain grade progress report from college instructor

CollegeCredit PLUS

What are the deadlines?

By April 1, 2018

- Students must complete the high school Intent To Participate form and return to the school –MY ADVICE-TURN IT IN TONIGHT!!!

- Check ACT and SAT dates

- Test early to meet college/university admission deadlines (if required)

- Check each college's deadline for admission

- Find out about assessment testing requirements

- Summer semester deadline will be early as classes usually start in May

CollegeCredit PLUS

BGSU. BELONG. STAND OUT. GO FAR.
CHANGING LIVES FOR THE WORLD.

Will the course credits transfer?

- Certain general education and technical courses will transfer especially from one public college to another public college- private colleges may not take the credit-students are encouraged to do their "homework" and find out as they go through the Admissions process

- Students have the responsibility to check with colleges to confirm transferability and make sure they order their college transcripts when they finish CCP

- Students should check https://transfercredit.ohio.gov for transfer info

Things to Keep in Mind

➢ CC+ allows for flexibility with graduation – College course counting toward HS grad. requirement; check with your Principal or Counselor first! Not every course will fit a requirement; eligibility and worst-case scenarios must be considered.

➢ Students need to allow for travel time between the college and high school when scheduling classes.

➢ Students may not miss any part of a high school class in order to make it to a college class – please schedule carefully.

➢ All books are the property of Lexington schools and need to be returned by the 5th day after a course has ended.

➢ Financial responsibility: Student's responsibility to pay for failed courses, or a class dropped after the drop period (14 calendar days after course begins).
