Surviving SENIORITIS.....Tips for keeping seniors on track

- **Maintain a challenging course load.** Urge them to take the most rigorous courses available, including AP courses (for which they can earn credit at many colleges).
- **Enjoy their senior experience—responsibly.** Celebrate the last year of school: You may enjoy attending football games; going to the prom; and participating in graduation festivities, clubs, sports, and volunteer work.
- **Commit to an internship or career-focused job,** these things may help you make informed decisions about your education and career goals; or try out college early by taking a class at a local college in a subject that interests you or in which you may excel.
- **Keep a calendar of their activities and deadlines** (tests, college applications, senior-year events, extracurricular, and so on). Caution DO NOT overextend yourselves.
- **Not obsess over the admissions process** to the point that everything else, including grades, suffer. It's all about balance and making the right choices.

MECHANICS BANK BE THE CHANGE	<p>"Be the Change" scholarship opportunity. This program teaches students valuable financial literacy skills that will prepare them for adulthood. It also provides volunteer opportunities that can be crucial to their college resumes. This program is different because it not only gets your students looking forward in positive ways regarding their own future, but it also provides opportunities to better our community for years to come. Each student that completes the financial literacy portion and volunteer hours (20) is given \$50 in their Mechanics checking account to pay forward wherever they see a need. Each student's \$50 can provide a positive and lasting legacy for years to come in the place we call home. But it doesn't end there. Once the student sends in a video of how they used their \$50, they are eligible for a \$1000 college scholarship. Every May, area high school seniors will be awarded a scholarship.</p>	<p>Join BE THE CHANGE! TO ENROLL, PLEASE VISIT www. MYMECHANICS.COM or email bethechange@MyMechanics.com</p>	MARCH
