January 8, 2016

Dear Sir or Madam;

The Mansfield Area Electrical Joint Apprenticeship and Training Committee (JATC) accepts applications for apprenticeship on a year round basis on the first working Tuesday of each month and for a two-week period beginning on January 18 through January 29, 2016. Applications can be filled out at the Training Center between the hours of 1:00 pm. and 4:30 pm. with extended hours until 7:00 pm. on Wednesday the 20th and the 27th. We are expecting to select apprentices in the year 2016 to work and train in the electrical construction field. No prior experience is needed. We will interview all applicants that fulfill our basic requirements. Our work area is as follows:

All of Richland County	All of Ashland County	All of Morrow County
All of Crawford County	All of Marion County	Northern Knox County
Southern Huron County		Eastern Wyandot County

Apprenticeships offer both on the job experience and related classroom training, along with Healthcare Insurance and Retirement Benefits. The Electrical Apprenticeship is a five year commitment. This year we are incorporating a $25.00 application fee and an aptitude test to all applicants.

Since Apprenticeship classes are not for everyone, we have Construction Wireman (CW) and Construction Electrician (CE) positions available also. Both CW's and CE's advance on hours worked, training classes are an option but not a requirement. Healthcare and retirement are included in their wage and benefit package as well.

You have permission to distribute and post this information to any interested individuals. Please call if more brochures are needed. I am available to speak and answer questions with individuals and groups. If you have any questions or are interested in more information, feel free to contact me at (419) 526-4688 during normal business hours. I am looking forward to speaking with you and your students.

Sincerely;

William Thompson
Mansfield Area Electrical JATC

NOTICE OF NON-DISCRIMINATION POLICY AS TO STUDENTS

The Mansfield, Ohio Area Electrical Joint Apprenticeship and Training Committee admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students of the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

Application Requirements

Persons applying for our electrical construction apprenticeship program must be at least 17 years of age, be a high school graduate, or on track to graduate in June, or have obtained a GED, have received one full credit in a high school Algebra 1 course. A $25.00 application fee will be collected at the time of application. Persons applying for apprenticeship opportunities should:

- Be physically and mentally able to perform or learn to perform essential tasks to their job with or without reasonable accommodations.

- Able to get to and from worksites in Ashland, Crawford, Huron, Knox, Marion, Morrow, Richland, and Wyandot Counties.
- Able and willing to attend all related classroom training as required to complete their apprenticeship.
- Able to climb and work from ladders, scaffolds, poles, and towers of various heights.
- Able to crawl and work in confined spaces such as attics, manholes and crawl spaces.
- Able to read, hear and understand instructions and warnings.

APPLICATION DATES

Applications are accepted on the first working Tuesday of each month, from 1:00 PM to 4:30 PM at the JATC Training Center located at 67 South Walnut Street in Mansfield. In 2015 a special application period beginning January 18 through January 29, weekdays from 1:00 PM until 4:30 PM except Wednesday, which the application time will be extended until 7:00 PM. Applicants must be present to fill out the applications. A non-refundable $25.00 application fee must accompany the application payable in cash or money order.

Documentation Needed

- High School Transcript
- Proof of completion of Algebra 1 or equivalent

- Proof of Graduation or GED
- A valid drivers license
- Veterans may submit a DD-214 to verify training and/or experience if they wish to receive consideration for such training/ education.
- Other documents applicant may wish to have considered. Those with electrical construction experience may qualify for advanced standing in the program.

Aptitude Test

Applicants meeting the minimum requirements will be scheduled to take the Electrical Trades Aptitude Test given at the JATC Training Center. Questions on Algebra and Functions and Reading Comprehension comprise the approximately two hour test..

Personal Interview

Qualified applicants will be notified by mail of the scheduled date and time of their personal interview with the JATC Committee. Interviews are conducted in our Training Facility . Once interviewed, the applicant will be listed among those applicants qualified for selection for a period of two years from the date of interview.

Drug Testing

All selected applicants must submit to a drug test as per the NECA/IBEW Drug Policy and are subject to "reasonable cause testing".
