

## The J. Frederick "Fritz" Wolf Scholarship

J. Frederick Wolf was a life-long Mansfield area resident. He was born April 22, 1914, and died March 11, 2005. He founded the Mansfield Choral Society in 1933, and was the Director of the volunteer community singing group for 56 years. He remained as Director Emeritus after stepping down, and continued to direct the song "Let There Be Peace on Earth" at the end of each concert. His musical interests were both sacred and secular.

Mr. Wolf was the choir director at Park Avenue Baptist church as well. His colleagues remembered him as an admirable musician with a great love for choral music. As a director, he expected and got the best out of each section of the group. The Mansfield Choral Society established an award in his memory, but was unfortunately disbanded in 2012. Richland Academy is honored to be able to continue this legacy.

This year the scholarship will be a one-time \$350 award.
