

OHSAA TOURNAMENT TICKET PURCHASING INFORMATION

Families,

As **online tickets ARE REQUIRED FOR OHSAA tournament events**, I would recommend downloading the Hometown Fan App. It is easy to use in that you do not need a username or password. It links directly to your phone number. **Caution: Do not download the hometown “gate” app:** This is the app we as ticket takers use to scan spectator tickets.

(*TOURNAMENT TICKETS ARE NOT SOLD AT THE GATE)

In addition, the Hometown Fan App gives you an easy place to store and purchase your tickets, so when you arrive at the game, it is as easy as opening the app, clicking on “tickets” at the bottom of the screen, and having the person working the gate scan your barcode(s).

Here are some of the details:

-OHSAA Tournaments: All tickets will be sold by the OHSAA on-line.

Instead of going to their website, download the Hometown Fan App and follow these steps:

- Open the Hometown Fan App
- Search OHSAA
- Select OHSAA-Northwest District
- At this point search Lexington, OR for larger Cross Country Meets for example, you will need to scroll through and find the event at Galion or Tiffin.
- Click on the event you want to purchase tickets for, and then complete your purchase.

-Storing your Tickets:

After you have purchased your tickets, they will be stored in your “ticket” page. (Tab at the bottom of the screen) The neat thing with this is, it’s all linked to the phone number you entered when purchasing the ticket.

-If you purchase tickets for others in your family or group, you can then easily share those tickets after they are in your account by then entering their phone number as well, if they have the Hometown Fan App. This allows them to now have their ticket if they arrive at a different time.

***Please don’t feel like you need to use the app.** You can still go to the OHSAA website and purchase the tickets and have them emailed to you. However, I have found that this is a much easier place to store and access everything.

What District and Division is Lexington when searching for contests to purchase tickets?

Lexington competes in the Northwest District. We are Division II in Boys & Girls Soccer, Volleyball, Cross Country, and Girls Tennis. We are Division I in Boys & Girls Golf & Division III in Football.

Ticket Prices:

Please remember to purchase your tickets early when possible. Ticket prices vary by tournament level. However, if tickets are purchased less than three hours prior to the contests, they increase by \$2.00.

*OHSAA only offers one ticket type for all spectators. There are no discounted student tickets. All spectators must purchase a General Admission Ticket.
