## Student Registration Form

### Grade 12

#### Registration Timeline

**January—March**—registration begins for the school year 2023-2024. Students will be given a copy of their course registration form to take home for parental approval. Students/Parents may make schedule changes in the appropriate place on the registration form. Students must return the registration form with a parent(s) signature to their school counselor in Student Services.

**April**—Schedule changes may be made with parent permission **until April 28, 2023**. “Change of mind” schedule change requests will not be honored after this date.

**Schedule changes will only be made due to the following reasons:**

- Schedule conflicts/errors
- Educational reasons: credit deficiencies or required courses needed
- Uneven balance of semester courses or study halls. Changes due to completion of pre-approved summer school courses
- Changes that are in the long-range academic best interest of students will be considered with a consultation among student, parent, teacher, counselor and principal.
- **Second-semester changes:** Any second semester schedule changes must meet the above criteria.

**To be fair and consistent with all students, we are sorry that we cannot entertain preferential requests for class periods, lunch period, or teachers.**

- Students must be enrolled in 5 classes per semester.
- Students are allowed one Study Hall per semester.
- Students who have a full schedule (7 courses) will be permitted to drop a class for academic reasons at any time. Courses dropped after the first nine weeks will be noted with Withdrawal/Pass (WP) or Withdrawal/Fail (WF) on the transcript.

***Note: Students identified as gifted in a specific content area and/or superior cognition need to take a weighted or CCP course in their area of identification to receive gifted services. By not scheduling an eligible course, students are denying the services offered at Lexington HS.***
