Annual Information Session for Public Schools

To be used during 2022-2023 School Year
In preparation for 2023-2024 School Year

What is College Credit Plus?

College Credit Plus is Ohio's dual credit program

- Students can earn high school and college credit at the same time
- Students enroll in college courses and adhere to the policies and requirements of the college

What is College Credit Plus?

Students in Grades 7 through 12:

- Must be Ohio residents
- Attend an Ohio secondary school (public or private) or receive homeschooling instruction
- May apply to any Ohio public college or participating Ohio private college (or approved out-of-state college)
 - May apply to multiple colleges
 - May attend multiple colleges
- May choose from a variety of college-level courses
 - As determined by placement testing & course eligibility rules
- Can earn credit to satisfy both high school and college requirements
 - 3 or more Credit Hour College Course converts to One High School Unit

What is College Credit Plus?

Students in Grades 7 through 12:

- Must successfully complete the courses in order to earn the credit
 - Even if a student fails or withdraws from the course, the college transcript and high school transcript will reflect the student's final grade
 - The high school transcript will match the college transcript with the course grade
- May take classes during the summer, fall, & spring semesters
- May take courses at the high school*, college campus, or online
 - *The option to take courses at the high school is only available if the high school has partnered with a college or university to offer college courses at the high school

How can students participate?

Step 1: Eligibility

A student is eligible for the "College Credit Plus" program if the student meets any of the following criteria:

- (a) Obtains a remediation-free score on one of the standard assessment exams as set forth in paragraph (D)(2) of rule [3333-1-65.3](#) of the Administrative Code; or
- (b) Has a cumulative unweighted high school grade point average of at least 3.00; or
- (c) Has a cumulative unweighted high school grade point average of at least 2.75 but less than 3.00 and received an "A" or "B" grade in a relevant high school course.
- (2) If a student is seeking to participate under section [3365.033](#) of the Revised Code and a cumulative unweighted high school grade point average is not available to determine eligibility under paragraph (A)(1)(b) or (A)(1)(c) of this rule, the student is eligible if the student has received an "A" or "B" grade in a relevant high school course.
- (B) If a student's grade point average is calculated beyond the hundredths decimal point, the grade point is rounded to the hundredths decimal point for the purpose of determining the student's eligibility to participate in the "College Credit Plus" program under this rule.

Student Eligibility Assessment Exams

- Assessment Exams include:
 - ACT
 - SAT
 - Accuplacer
 - ALEKS
 - PlaceU
 - MapleSoft
- After a student applies to a college, the college/university will notify the student about exam requirements
- Colleges and universities will review students' scores using statewide standards

How can students participate?

Step 2: College Admission

- Students must apply for admission
- Students must meet admission requirements of the college
- **Students must complete a “Permission Slip” that will be provided to the students with the college’s application for admission.**
 - Requires signature by Student and Parent/Guardian
- Contact the college to learn about their requirements, processes, paperwork, and deadlines
- Colleges have the final decision on student admission
- **If the student is admitted to the college, the college will send a “Questionnaire” that must be completed for enrollment.**

How can students participate?

Step 3: Course Registration

- If the student is considered eligible and has been admitted to the college, then:
 - The college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements
- **CCP courses can satisfy high school graduation requirements**
 - School counselors can help students understand graduation requirements and CCP course substitutions
 - Some high schools have more requirements for graduation than the state minimum

Course Eligibility Rules

- **Students must complete their first 15 credits in Level I courses, which include:**
 - Transferable courses
 - Courses in IT, Computer Science, Anatomy & Physiology, foreign language
 - Courses that are part of a technical certificate
 - Courses that are part of a 15- or 30-credit pathway
 - Courses in study skills, academic or career success
 - Colleges must post their Level I courses – see website for details
- Once a student completes the First 15 credit hours in Level I, he or she can enroll in Level II courses
 - Level II courses are any other allowable college courses for which a student meets the prerequisites

Course Eligibility Rules

- **Non-allowable courses include:**
 - Private applied courses with one-on-one instruction (such as performing art lessons)
 - Courses with high fees
 - Study abroad courses
 - Physical education courses
 - Pass/Fail graded courses
 - Remedial courses or sectarian/religious courses

What are other requirements?

Grades

- College Credit Plus grades earned in the college course is the same grade that will be on the high school transcript
- CCP course grades will be factored into the high school and college GPAs

Grade Weighting

- If a high school uses a weighted grading scale for Advanced Placement, International Baccalaureate, or Honors courses in a subject area:
 - Then College Credit Plus courses in the subject area will be weighted using the same scale in order to calculate the student's grade point average and class rank

Graduation Requirements

- Students may take College Credit Plus courses in subject areas that will satisfy graduation requirements
- Students must work with school counselors to ensure they are meeting any mandatory testing or other high school graduation requirements

Students should consider courses in a career pathway that interests them

Students should ask about pathways that identify courses leading to a major or degree requirements

How many classes can students take?

- Students may be enrolled in up to 30 credits per year, which includes high school courses:

Calculation:

$$30 - (\text{secondary school units} \times 3) = \text{max CCP credits}$$

- The maximum number of credits allowable for a student while participating in the program is 120
- If a student enrolls in more than 30 credits for the year, the school will discuss with the student whether to:
 - Drop the course (prior to the no-fault withdrawal date) or
 - Pay for the entire course (including tuition, fees, books) at the college's standard rates (Option A)

What are differences between high school & college?

Tests

- High School: Tests are sometimes given weekly or at the end of the chapter
- College: Tests are generally fewer in number and cover more material

Study Time

- High School: Required homework ranges between 1 to 3 hours per day
- College: Standard rule of 2 to 3 hours of homework for every hour spent in class (3 to 5 hours per day)

Knowledge Acquisition

- High School: Information provided mostly in-class. Out-of-class research is minimal
- College: Coursework will generally require more independent thinking, longer writing assignments, and out-of-class research

What are differences between high school & college?

Grades

- High School: Numerous quizzes, tests, and homework assignments
- College: Few tests and fewer, if any, homework assignments will be used to determine final grades

Role of Parents

- High School: Parents are strong advocates working closely with teachers and counselors
- College: Parent serves as a mentor and support for the student; the college views the student as independent decision-maker
- College: The Family Education Rights and Privacy Act (FERPA) protects student education records

Accommodations

- High School: Parents and students work with high school staff to determine what assistance or accommodations can be made for students with IEPs or 504 plans.
- College: Students must work directly with college staff to determine if accommodations are needed. IEPs and 504 plans may or may not be included in the discussions.

What are benefits of participating in College Credit Plus?

Students can:

- Earn high school and college credits at the same time
- Get a “head start” on career planning and degree or certificate completion
- Experience college early to understand the expectations of college life
- Save tuition and textbook costs

What are the consequences of underperforming?

- **If students do not earn a passing grade or if they withdraw too late from college courses, the district may require students/ families* to reimburse the tuition that the district had paid**
- The grades that students earn will be on the students' college transcripts permanently
- If students fail or withdraw often, future financial aid may be also impacted negatively
 - For more information, contact the college's financial aid office for details
- If students perform poorly, they may be placed CCP Probation, CCP Dismissal or on academic probation or dismissal by the college

**If a student is considered “economically disadvantaged,” a school may not seek reimbursement*

Underperforming Student Rules

College Credit Plus Probation

- A student will be placed on CCP probation if he or she **earns less than a cumulative 2.0 GPA** in CCP courses or withdraws from 2 or more courses in one academic term

While on CCP Probation, the student:

- May only enroll in one College Credit Plus course for one college term (semester or quarter)
- May not enroll in a college course in the same subject in which student previously earned D, F, NC grade (or equivalent grade)

Underperforming Student Rules

CCP Dismissal

- If students on CCP probation do not increase their CCP GPA to a 2.0 or above during the probation term, they will be placed on CCP Dismissal
- While on CCP Dismissal, students may not enroll in any College Credit Plus courses
- A student can request (appeal) to be reinstated in the program

CCP Probation & Dismissal Appeals

- CCP Probation: Student may appeal to take a course in the same subject in which he or she previously earned a D, F, or received no credit
- CCP Dismissal: Within 5 days of being dismissed, the student may submit an appeal to the secondary school to appeal CCP Dismissal or the student may appeal at the end of the CCP Dismissal semester

**Each school must have a policy describing the process for appeals*

What are the expenses for College Credit Plus?

- At public colleges or universities, there will be no cost to the students/families for tuition, required fees, and books
- Some optional expenses are the responsibility of the student/family
 - *(Examples: Parking and transportation)*
- At private colleges or universities, there will be no cost to the students/families for tuition, required fees, and books AND students may be charged a small cost per credit hour
 - *Check with the private college to see if they will charge this fee*

What are the expenses for College Credit Plus?

- **Students must complete the Intent to Participate form and provide to the public school by April 1, 2023***
- Students must confirm with the college and the secondary school if the student will take advantage of College Credit Plus using state funds (Option B) or if the student will “self-pay” for the college courses (Option A)
- Students must inform the college and the secondary school of the Option choice
- The final date to change the election of Option A or Option B is on or before the college’s no-fault withdrawal date

What are the expenses for College Credit Plus?

Option A (Self-Pay)

- Students can choose Option A – the family/student will “self-pay” for college courses at the standard rate of tuition, fees, and textbooks
- Under Option A, students can choose to earn college credit and high school credit OR only college credit (students must inform the school of their choice of credit for courses)

Option B (CCP Default)

- Students can choose Option B – all college course tuition, fees, and textbooks will be paid by the state of Ohio (supported by the school’s foundation funds and the college’s funds)
- Under Option B, students will earn college credit and high school credit
- Option B is the “default” or standard option for College Credit Plus
- Students may be asked to confirm the election of Option B during the college advising process

What are support services available for students?

College

- **Questions for the College:**
 - Scheduling college classes
 - Eligibility
 - Class assignments
 - Procedures
 - College programs
 - Communication with Professors
 - Transcripts
 - Problems with the class
- College Advisors provide course selection assistance
- Colleges must provide the same academic supports to College Credit Plus students such as tutoring, library access, advising/counseling

High School/Middle School

- **Questions for your School Counselor:**
 - CCP Program Information
 - HS/MS Schedule
 - Completing HS/MS portion of participation paperwork
 - Managing earned HS/MS credits
 - Managing HS/MS Permanent Record
- High school counselors continue to provide assistance to all

What about athletic eligibility?

Student athletes should:

- Learn the Ohio High School Athletic Association (OHSAA) requirements
- Know that summer term CCP courses cannot be used to bring a student into compliance with the OHSAA requirements for interscholastic athletic participation

Will the course credits transfer?

- Certain general education and technical courses will transfer, especially from one Ohio public college to another Ohio public college
- Students must check with colleges to confirm transferability
- Students should also visit <https://transfercredit.ohio.gov> for transfer information

What does being “college-ready” mean?

Being “college-ready” is more than just being academically ready

- Consider emotional and social transition and college expectations
- Consider time management and organizational skills
- Grades earned in a CCP course are for high school AND college credits and will be calculated into the student’s GPA at both places
- College Credit Plus credits will be utilized in the calculation of financial aid (after high school)

What are the deadlines?

April 1, 2023

- Students must complete and return the Intent to Participate form to the school office

Check ACT and SAT testing dates

- Test early to meet college/university admission deadlines (if required)

Semester deadlines

- Summer semester deadline will be early as classes usually start in May
- Check with the college for all other semester deadlines

HOW DO YOU GET STARTED?

- ✓ Complete the Intent to Participate form and provide to the school office before the deadline
- ✓ Apply for admission at the college of choice before the deadline
- ✓ Contact the college and discuss assessment testing requirements
- ✓ Meet with your school counselor to discuss scheduling and graduation requirements

Do you have other questions?

Visit the CCP website for additional resources:

<https://higherred.ohio.gov/initiatives/access-acceleration/college-credit-plus/ccp>

FOR 2023-24 CCP ENROLLMENT

CCP with North Central State College

1) **By the Semester Deadline, Apply to NCSC for CCP,**

<https://ncstatecollege.edu/ccp/>

SUMMER: Mar. 1

FALL: Jul. 1

SPRING: Dec. 1

2) **Submit Transcripts to NCSC:** ccp@ncstatecollege.edu

3) **Establish CCP Eligibility & Admission*** (GPA, ACT or ACCUPLAC

*State-Required Additional Documents: CCP Permission Slip and Questionnaire

**Some courses require higher test scores for enrollment

4) **Build your NCSC Course Plan**

***Course placement and pre-requisites must be met

5) **CCP Orientation & Course Registration**

[*Private school and Homeschool students must also apply annually to ODE for CCP funding by April 1](#)

and submit a copy of CCP funding letter to NCSC or make payment arrangements with NCSC

NC North Central
State College | **CCP**
COLLEGE CREDIT PLUS

Tuition Freedom Scholarship (TFS)

Why CCP with NCSC?

Earn the *Tuition Freedom*

Scholarship!

TUITION FREEDOM 32

- ✓ Complete 6-7 hours of NCSC credits through CCP, or a qualifying Career Tech program*
- ✓ Minimum GPA of 2.75 for both high school & college
- ✓ Apply for TFS during senior year of high school; complete required steps by the deadlines.
 - Direct Admission into a Health Sciences program will require 7 hours for TFS
 - TFS applies to tuition only. It will *not* cover fees or textbooks.
 - TFS *can be combined* with other NCSC scholarships.
 - NCSC credits earned in high school are deducted from the scholarship's **32 hour cap**.

TUITION FREEDOM 64

- ✓ Complete 8-9 hours of NCSC credits through CCP, or a qualifying Career Tech program*
- ✓ Minimum GPA of 2.75 for both high school & college
- ✓ Apply for TFS during senior year of high school; complete required steps by the deadlines.
 - Direct Admission into a Health Sciences program will require 9 hours for TFS
 - TFS applies to tuition only. It will *not* cover fees or textbooks.
 - TFS *can be combined* with other NCSC scholarships.
 - NCSC credits earned in high school are deducted from the scholarship's **64 hour cap**.

Why North Central State College

- ✓ **Degrees:** Associate and Bachelor
- ✓ **Certificates:** Stackable
- ✓ **Career Ready**
- ✓ **Transfer Ready**
- ✓ **Flexible Formats**
- ✓ **Quality of Education**
- ✓ **Scholarships**
 - TFS, Choose Ohio First, NC Foundation
- ✓ **Internships/Clinicals/Practicums**
- ✓ **Student Life**
- ✓ **Career Services & Alumni Relations**

Level One Courses at Ohio State

Experience Ohio State classes for free while working towards not only your high school graduation requirements, but your future college degree!

See all level one courses offered at Ohio State at go.osu.edu/ccplevelone

See how ccp courses transfer from one institution to another at:

- Transferology.com
- Transfercredit.ohio.gov

Questions I'll ask you before scheduling:

- What courses do you need for high school graduation?
- What career are you planning on pursuing after high school?

Earn your Ohio State Degree!

**Business Administration • Child & Youth Studies • Biology • Criminology &
Criminal Justice**

Early Childhood Education • Engineering Technology • English • History

**Middle Childhood Education • Psychology • Social Work • Sociology •
Nursing**

Start any of the 200+ Ohio State degree in Mansfield.

Step 1: Apply

- Apply in less than 20 minutes at go.osu.edu/mansccp
- At the bottom of that webpage is a video that walks you through the application
- Go to that page for an application check list for both public and non public school students including information about the funding application!

Step 2: Talk to your Counselor

Request your High School Transcript be sent by your school and emailed to esue-studugt@osu.edu

Request your High School Info Form be sent by your school and emailed to esue-studugt@osu.edu

Talk about if CCP is right for you and if you have the time for it!

Step 3: Test Scores or Test Optional

Submit ACT, SAT or OSU Accuplacer scores to Ohio State on a transcript for admissions or apply as a test optional

See test scores needed or the test optional criteria at go.osu.edu/mansccp

Sub scores from more than one test can be used

You can sign up for the OSU Accuplacer if needed at go.osu.edu/mansccp

Step 4: Watch Your Email

Keep an eye on your email for more information regarding:

- Signing the permission slip and sending it back to OSU!
- Activating your username and osu email
- Accepting Admission
- Signing up for Orientation
- Signing up for Scheduling
- Placement Testing (if needed)
- And more!

THE OHIO STATE UNIVERSITY

MANSFIELD

Conard Learning Center

- Free Tutoring
- Open 40+ hours a week-even weekends
- Tutors in all areas
- Study Sessions
- One on one appointments
- Group appointments by class

College Credit Plus Information & Planning Guide

Terms

- **College Credit Plus (CCP)** –This program provides high school students the opportunity to be enrolled in both high school and college level course work at the same time.
- **Dual Enrollment (DE)** – Dual Enrollment classes are CCP courses which allow college-level courses to be facilitated by Lexington High School faculty who meet College Credit Plus teaching requirements.

HIST 1250 (3 BGSU credits)	Early America
HIST 1260 (3 BGSU credits)	Modern America
POLSC102 (3 AUcredits)	Democracy in America
WRIT 1110 (3 BGSU credits)	English Academic Writing
WRIT 1120 (3 BGSU credits)	English Research Writing
COM 101 (3 AU credits)	Human Communication
MATH 108 (3 AU credits)	Elementary Statistics
BIOL 1080 (3BGSU credits)	Life in the Sea
ART1010 (3 BGSU credits)	Introduction to Art
SPAN2010 (3 BGSU credits)	Intermediate Spanish I
SPAN 2020 (3 BGSU credits)	Intermediate Spanish II

Advanced Placement Options at Lexington

- AP Program (Advanced Placement)
 - AP Biology
 - AP Calculus
 - AP Chemistry
 - AP US Government & Politics
 - AP Physics 1
- AP Exams
 - May – 2 week testing schedule
 - Scores: 1-5
 - Credit given to scores 3 (limited), 4, 5

- Register online at www.act.org
- Test dates remaining this year:
 - April 15 (Register by March 10)
 - June 10 (Register by May 5)
- All JUNIORS will take the ACT (no cost) on February 28, 2023 as part of the testing requirements through the state of Ohio. (We will register juniors as a group during school)

- Two Fee Waivers (during Junior/Senior year) per student – Can Register online with Fee Waiver.
- Students view scores with no fee online.
- Real-time seat assignment
- Students own/control the release of test score by test date students should complete 4 free choices

Athletic Eligibility

- ▣ Students need to be passing 5 courses (full or half credit courses).
- ▣ When enrolled in CCP courses, eligibility is based on courses taken at Lexington and at college/university.
 - ▣ 3 semester hours = 1 HS credit=2 Athletic Eligibility points.

Next steps...

- Students/Parents must notify the school of intent to participate by April 1st (to Student Services).
 - *Intent to Participate (not binding)* form must be submitted yearly, but students currently in CCP will not need to re-apply to their college to continue.
- Decide if CCP is a right fit for you
- Apply to the college(s) you would like to attend by their deadline.
 - Request your transcript be sent to the college along with any other forms needed before college deadline.

Next steps...

- Once accepted...
 - make sure to follow the procedures outlined in emails from college
 - Including any assessments or placement testing that may be required
- Attend orientation
- Schedule classes (when taking classes outside of LHS)

Things to Keep in Mind

- CCP allows for flexibility with graduation – College course counting toward HS grad. requirement; check with your Principal or Counselor first! Not every course will fit a requirement; eligibility and worst-case scenarios must be considered.
- Students need to allow for travel time between the college and high school when scheduling classes.
- Students may not miss any part of a high school class in order to make it to a college class – please schedule carefully.
- All books are the property of Lexington schools and need to be returned after a course has ended.
- Financial responsibility: Student's responsibility to pay for failed courses, or a class dropped after the drop period (14 calendar days after course begins).

THANK YOU!
