Dear Student and Parent,

On behalf of the administration, faculty, and staff of Lexington High School I welcome our returning students and those entering our building for the first time. The high school is staffed by dedicated individuals who strive to help students become great scholars and even greater citizens. We will work tirelessly to ensure students realize their highest potential and achieve personal excellence. All students are encouraged to participate in as many of the educational and extracurricular programs as they are able, and to take full advantage of what Lexington High School has to offer. Lexington High School has a long and distinguished history of excellence in academics, athletics, and the fine arts, and this excellence will continue through the efforts of its students and staff.

The student handbook will serve as a valuable resource to assist students in their understanding of the expectations, policies, and programs of the high school. Students and parents are asked to read this handbook carefully and are encouraged to contact the office if you have any questions or concerns.

Once again, welcome students, and thank you parents for allowing us to educate your children. Working together we can, and will, ensure that the students of Lexington receive the highest quality education, become well rounded citizens and members of our community, come to understand the true meaning of excellence, and learn to become difference makers in the world.

Our Promise

We want to assure you as our students and the parents, family members, neighbors, and friends of our students that we will work diligently to be a positive influence in our students' lives. We will do everything possible to provide each student with the best educational and co-curricular opportunities possible. Our decisions will be based on what we believe in our hearts to be in the best interests of the students we serve. Delivering on the promise of excellence and opportunity for each student is a tremendous responsibility, challenge, and opportunity, which we will not take lightly!

Philosophy of Education

The basic function of education is the development of the inherent abilities of each student. Therefore, our curriculum must meet the needs and desires of every student on a mental, cultural, emotional, social, and physical level. We accept the responsibility for developing fundamental skills, creating an atmosphere for constructive, creative, and reflective thinking. Also, we accept the responsibility for promoting an understanding of the democratic way of life and encouraging the practice of good citizenship through the development of values of behavior emphasizing respect for others and their rights and responsibility for private and public property.

We, as educators, have a responsibility to teach an appreciation for those who were responsible in making our country great. Each child should be taught to value his/her heritage and to accept his/her duties and obligations as a contributing member of our society.

We believe that our school should accept the individual as he/she is and guide him/her toward maximum growth. We realize that development of the intellect is not sufficient, but that the total personality must be developed. Our school program should create in each individual an appreciation of the various areas of our culture which includes the humanities, arts, and sciences. We believe teaching demands that experiences be provided for students in an effective manner to create a desire for learning and prepare them for the changes that occur daily. From this, each student should be able to recognize and appreciate the multicultural and multiracial heritage of our society.

Educational Objectives

To achieve the Lexington Local Schools philosophy, students should experience a broad and balanced education meeting the following objectives:

1. Maintain an appropriate educational environment
2. Develop and maintain good physical and mental health
3. Become an effective and contributing citizen of our ever-changing society
4. Realize satisfaction in the areas of intellectual achievement, rationality, and creativity
5. Become aware of our multicultural society, our heritage background, and appreciation of the development and citizen responsibility of democratic society
5. Develop a command of basic reading and writing skills, written or oral communication skills, and logical thinking processes
6. Develop awareness of social obligations to the development of skills needed to participate in school and community
7. Gain enjoyment, experience and self-confidence from planning and participating in an enriched and varied social life

BUS TRANSPORTATION

Special routes are followed by school buses to take students to and from Lexington High School. These buses load and unload in the bus loop line. Upon exiting the school bus, students are to immediately enter the building using designated entrance.

Students are expected to conduct themselves properly while riding the buses. By law, a student is under the jurisdiction of the school from the time the student leaves his home until he returns to his home. High school students are not to ride the elementary buses unless prior arrangements have been made through the high school office and/or the transportation director at the bus garage. Please be reminded that food is not to be consumed on a moving bus as per state statute.

DRIVING REGULATIONS

All vehicles driven to and from school by students must be registered in the office. Failure to register a vehicle driven to school may result in disciplinary action. Vehicle registration forms will be provided for students, and they must be filled out and returned to the office before permission will be granted. Once you have registered your vehicle, you will be issued a parking tag. Parking tags must be hung and visible from the rearview mirror of your vehicle when on school grounds. Failure to have your pass visible may result in disciplinary action.

When students come to school, their vehicles should be parked in a marked parking spot and should be locked and not driven again until the end of the school day. Students who park in unauthorized areas are subject to disciplinary actions. Upon arrival at school students are to immediately enter the building and are NOT permitted to leave the building prior to the end of the day without the permission from a building administrator and signing out in the office. Driving, riding, or sitting in cars before school, during school hours, or during the lunch period is prohibited. Loitering on school grounds after school is not permitted as well. Students who request permission to go to their vehicle during the school day may go but will be issued a minor infraction which may result in disciplinary action. Special permission to drive a car during school hours may be granted only by the principal, assistant principal, or dean of students. Violations will result in restrictions to the grounds, demerit points, suspension of driving privileges, or suspension from school. Students are to drive cautiously while entering and leaving school grounds. Students' vehicles may not leave while school buses are departing from the school grounds and may not enter or leave the lot when and where the buses load and unload. State law requires pedestrians to use the crosswalks. Pedestrians have the right of way. Students are to follow all school rules while their vehicles are on school property. School officials retain the right to examine the contents and/or search a vehicle on school premises when they have a reasonable suspicion that school rules have been violated or items contained in the vehicle may interfere with the safe or effective operation of the school. Lexington High School assumes no responsibility for damage to vehicles or loss of contents incurred while parked on school grounds. The rules above apply to all vehicles.

Students not complying to a request of an administrator during a search of a vehicle and/or the contents of a vehicle, may be suspended out of school and/or may be recommended for expulsion.

STUDENT PARKING

Main Lot: The main parking lot is located closest to the north side of the high school. The first three rows of this lot are reserved for staff and school personnel. All other spots are reserved for seniors, students taking CCP classes not on the LHS campus, and students attending Pioneer. These parking spots are on a first come basis until the lot is full. The administration reserves the right to assign specific spots to specific students. This may be done in special circumstances such as fundraising events and/or other special situations.

Student Lot: The student parking lot is located across the street from the high school and is available for all students who drive to school. All vehicles are expected to park properly in the spaces provided.

All students must have an office issued parking tag visible in their cars while parked on school grounds. Students are not permitted to park in any other locations without permission from an administrator. Students parking in unauthorized areas may be subject to disciplinary action.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

Lexington High School implements Positive Behavior Interventions and Supports (PBIS), and its discipline plan aligns to PBIS principles. The purpose of the PBIS plan is to reinforce positive behavior. Student behavior is aligned to common expectations in all areas: Be Respectful, Be Responsible, Be Ready. A PBIS Matrix is posted throughout the school to reinforce behavioral expectations. Violations of the Student Conduct Code are divided into “Minor” and “Major” infractions.

Minor Infractions:

Minor infractions are typically handled by a staff member in the following manner:

1. First Offense: A one-on-one conversation between the staff member and the student(s). This will be documented by the staff member.
2. Second Offense: Another one-on-one conversation between the staff member and the student(s). The staff member will also have two-way communication with a guardian in an effort to correct the behavior. Again, the staff member will document the incident.
3. Third Offense: Another one on one conversation between the staff member and the student(s). The staff member will submit an office disciplinary referral to an administrator. A third minor infraction will be treated as a major infraction and may result in disciplinary action.

Examples of ‘Minor Infractions’ include but are not limited to:

1. Sleeping
2. Talking
3. Throwing Items
4. Missing Materials
5. Other Disruptive Behavior
6. Failure to do Assignments/Participate
7. Being Unprepared for Class
8. Disrespectful Actions
9. Failure to Follow Class Rules

Major Infractions:

These types of behaviors will result in a referral to an administrator. Examples of 'Major Infractions' include but are not limited to:

1. Fighting, Hitting, Pushing, ...
2. Weapons
3. Harassment (Bullying, Racial, Sexual, Political, ...)
4. Disrespect to Others
5. Dress Code Violations
6. Excessive Time out of the Room
7. Cheating
8. Forgery
9. Drugs/Alcohol/Smoking/Vaping
10. Misuse of Computers

CODE OF STUDENT'S RIGHTS AND CONDUCT

These rights and responsibilities are designed to maximize student cooperation by allowing each student maximum freedom as well as maximum protection during the learning process, while, at the same time, providing a framework rigid enough to deal with both minor and major unacceptable behavior in ways best suited to the offenses. Each student attending school has the right to a free and unhindered opportunity to receive training designed to help him/her develop to his/her maximum. Except by means of due process, the student attending school may not be denied this right by other students, nor by members of the staff. Conversely, no student's behavior may be such that it denies other students the same right, nor may his/her behavior be such as to hinder members of the staff from carrying out their responsibilities. Teachers will handle minor discipline problems by use of reason, detention, parent conferences, or other appropriate means. Students are expected to come to school ready and willing to learn. Students are expected to treat each other and ALL SCHOOL EMPLOYEES with courtesy and respect.

DRESS CODE

Studies indicate that there is a strong relationship between good dress habits, good work habits, appropriate school behavior and good grades. Any type of attire which attracts undue attention to the wearer, and thus causes a disruption/distraction in school is not acceptable.

The following is a list of proper dress attire expectations:

1. Excessively short shorts or skirts are not permitted.
2. Clothing should be so constructed and worn in a manner that is not unduly revealing.
3. Clothing with offensive illustrations, slogans or commercial messages advertising drugs, alcohol and/or tobacco/nicotine products is prohibited.
4. Language on clothing which is insulting, vulgar, abusive, threatening or harassing based upon issues such as sexual orientation, gender, ethnicity background, religious beliefs or disabilities is prohibited.
5. Proper footwear must be worn at all times in the school buildings (no bare feet or slippers).
6. Sunglasses are not to be worn in the building.
7. Hoods, and/or bandanas are not to be worn in school without special permission from the

administration.

8. Coats/jackets are not to be worn during school hours. Warm-up apparel is appropriate.
9. Chains, spiked collars, spiked wrist wear, or spiked belts are prohibited.
10. Strapless shirts are prohibited.
11. Shirts that expose a student's midsection are prohibited.
12. Blankets are prohibited. Blankets are not to be worn or carried in the building.
13. Face coverings worn for non-medical purposes, masks, face paint, excessive makeup, costumes and/or costume accessories are prohibited during the regular school day unless specifically approved by the administration for a designated school activity, spirit day, or special event.

Students who do not comply with the dress code will be asked to correct the infraction. If the student does not have appropriate clothing, he/she will be placed in ISD until appropriate clothing can be obtained.

When a student is sent to the office for violating the dress code policy, the student will need to correct the dress code issue. If the student does not have the appropriate clothing, then the student will be held in the in-school detention room until appropriate clothing can be obtained. In addition, the following disciplinary action will be taken for a dress code violation:

1. 1st Offense: A one on one conversation with an administrator and parent contact will be made.
2. 2nd Offense: The student will be assigned a forty-five-minute Wednesday detention.
3. 3rd Offense: The student will be assigned a three-hour Friday School.
4. 4th Offense: The student will be assigned in-school detention for two days.
5. 5th Offense: The student will be assigned in-school detention for three days.
6. 6th Offense: The student will be assigned in-school detention for five days.
7. 7th Offense: The student will be suspended out of school and/or recommend expulsion.

*Judgment of the administration in matters of dress and appearance is final.

Personal Communication Device Policy (Effective January 1, 2026, per Ohio House Bill 96)

In accordance with Ohio House Bill 96, students are not permitted to use any personal communication device during the school day. This includes cell phones, smartwatches, headphones, earbuds, AirPods, and any other device capable of communication, messaging, calling, recording, audio playback, or accessing the internet.

During school hours (7:40 a.m. – 2:34 p.m.):

- All personal communication devices must be powered off or silenced and stored out of sight, preferably in a bookbag or locker
- Devices may not be used between classes, during study hall, during lunch, or during any part of the school day
- Teachers and staff cannot give permission for students to use these devices during school hours for any purpose, including instructional activities (All exceptions must be approved by an administrator)

Phone Calls & Emergencies

Phone calls may not be made or answered by students during school hours. In the event of an emergency, families should contact the main office, and school personnel will assist in connecting them with their child. If a student needs to make a call during school hours, they must do so from the main office.

It is our goal at LHS to help students understand their responsibilities regarding digital citizenship. All students are expected to make smart choices when using technology and participating in online social activities, discussions, chats and more. Students should use technology in an appropriate, constructive manner for oneself and others.

Students using a cell phone or other device to share derogatory statements, pictures and/or videos about other students, faculty, or staff (via text, social media, airdrop, any app or similar means) while on school grounds and/or during school hours and/or at school related events may face disciplinary consequences and may be suspended out of school. This includes the sharing of statements, pictures, and/or videos that were made during school hours, on school grounds, or at school-related events.

The following disciplinary action will be taken for violating the Personal Communication Device Policy:

- 1st Offense: One on one conversation with an administrator. Communication with a parent.
- 2nd Offense: The student will be assigned a forty-five-minute Wednesday detention.
- 3rd Offense: The student will be assigned a three-hour Friday School.
- 4th Offense: The student will be assigned in-school detention for two days.
- 5th Offense: The student will be assigned in-school detention for three days.
- 6th Offense: The student will be assigned in-school detention for five days.
- 7th Offense: The student will be suspended out of school and/or recommend expulsion.

ARRIVAL TO AND DEPARTURE FROM SCHOOL

1. Upon arriving, students are to immediately enter the building and are not permitted to leave the building prior to the end of the day without the permission from an administrator and signing out in the office.
2. Driving, riding, or sitting in cars, during school hours, or during the lunch period is prohibited.
3. Upon entering the building, students are to remove headphones/earbuds and hats/hoods.
4. All beverages, except for bottled water, must be consumed in the cafeteria before entering the hallways.
 - a. Bottled/canned beverages must be kept in a locker, bookbag or lunchbox.
 - b. Students are not to carry drinks or food in the halls at any time during the school day.
5. When departing from school, all students are to exit the building through the main entrance doors only.
6. Students that arrive at school late or leave early, must sign in/out in the main office. Failure to do so will result in an automatic Friday school.
 - a. Students attending CCP courses not on the LHS campus are not required to sign in/out.
7. Loitering on school grounds after school is not permitted.

ATTENDANCE

There is a close relationship between student attendance and academic achievement. Absence is one of the greatest causes of poor schoolwork and failures. Each day is important to the student's overall educational progress. In addition to the educational deficiency, a poor attendance record is a question that occurs when employers ask for a school recommendation pertaining to a job. Students are encouraged to make every effort to be present.

EXCUSED ABSENCE FROM SCHOOL

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. personal illness (a written physician's statement verifying the illness may be required)
- B. appointment with a health care provider
- C. illness in the family necessitating the presence of the child
- D. quarantine of the home
- E. death in the family
- F. necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- G. attendance at a driver's education course for up to two (2) hours on no more than four (4) days (limited to a total of eight (8) hours during the school year), provided that the absence does not occur during a core curriculum subject course
- H. religious expression days, up to three (3) of which may, after approval by the principal in accordance with this policy, permit the student to be absent without any academic penalty
- I. out-of-state travel (up to a maximum twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity

Any classroom assignment missed due to the absence shall be completed by the student.

If the student will be absent for twenty-four (24) or more consecutive hours that the student's school is open for instruction, a classroom teacher shall accompany the student during the travel period to provide the student with instructional assistance.

- J. such good cause as may be acceptable to the Superintendent

- K. medically necessary leave for a pregnant student in accordance with Policy 5751
 - L. service as a precinct officer at a primary, special, or general election in accordance with the program set forth in Policy 5725
 - M. college visitation, up to three (3) of which may, after approval by the principal in accordance with this policy, permit the student to be absent without any academic penalty
- The District requires verification of the date and time of the visitation by the college, university, or technical college.
- N. absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status
 - O. absences due to a student being homeless

Attendance at a Driver's Education Course

The District will excuse a high school student from school to attend a driver's education course that is approved by the Director of Public Safety in accordance with Chapter 4508 of the Revised Code. The student may be absent for up to two (2) hours per day on no more than four (4) days during the school year (limited to a total of eight (8) hours), provided that the absence does not occur during a core curriculum subject course. The Board deems all graded courses to be core curriculum including, but not limited to, courses that have State-approved learning standards. Days missed do not need to be consecutive.

Students who miss school to attend a driver's education course are required to complete any missed classroom assignments.

Religious Expression Days

The Principal will approve up to three (3) religious expression days per school year after receiving a written request from the student's parent or guardian. Religious expression days may be used to take holidays for reasons of faith or religious or spiritual belief system or participate in organized activities conducted under the auspices of a religious denomination, church, or other religious or spiritual organization. Students who are absent on approved religious expression days will not face any academic penalties and will be provided with academic accommodations with regard to examinations and other academic requirements that are missed.

To receive accommodations for religious expression days, parents or guardians must submit written requests to the Principal within fourteen (14) days after the start of the school year or fourteen (14) days after a student is enrolled in the District. The requests must specify the religious expression day(s) to be approved. The Principal will approve the days without inquiring into the sincerity of a student's religious

or spiritual belief system. However, the Principal may verify the authenticity of a request by contacting the parent or guardian to confirm they signed it. The Principal may deny the request for religious expression days if the parent or guardian indicates that the signature is not authentic. Once the days have been approved, the Principal will ensure that each teacher schedules a time and date for alternative examinations or other academic requirements that conflict with the student's absence. Students may participate in interscholastic athletics or other extracurricular activities on days in which the student is absent for religious expression.

ABSENTEEISM/TRUANCY

Communications Regarding Student Absence

Steps for Parents/Guardians to Follow When Absent/Tardy:

1. Parents and/or guardians should notify the school as early as possible (419) 884-1111 and
2. Upon return to school after an absence/tardy, bring in a **written note** from the parent/guardian or doctor (if applicable,) which explains the absence. (See below)

*A written note is required for all absences/tardies for the time missed to be considered as an excused absence.

When a parent, guardian, or other person having care of a student has failed to initiate a telephone call or other communication notifying the school or building administration of the student's excused or unexcused absence within 120 minutes after the beginning of the school day, the attendance officer or designee for each school building shall make at least one (1) attempt to contact the parent, guardian, or other person having care of any student who is recorded as absent without legitimate excuse within 120 minutes after the beginning of each school day by a method designated by the Superintendent in accordance with Ohio law.

A student may have an excused absence for medical reasons, such as personal illness or medical visit, subject to the following rules. A student may have up to ten (10) medically excused absences without a doctor's note, but with a phone call from a parent/guardian. This policy will be extended beyond ten (10) days if the student or someone in the student's family is in quarantine due to a recognized pandemic/epidemic (e.g., COVID-19) or experiencing symptoms of the pandemic/epidemic. A medical excuse for personal illness will be accepted in the form of a doctor's note within five (5) school days of the absence or parent call-in on the day of the absence due to illness or doctor's visit.

Parent Notification of Excessive Absences

When a student of compulsory school age is absent from school in excess of thirty (30) or more hours, the District or school shall notify the child's parent or guardian of the child's absences, in writing. Written notice will be sent within seven (7) school days after the date of the absence that triggered the

notice requirement. At the same time written notice is given, any appropriate intervention strategy listed in this policy may be taken.

Habitually Truant

A student will be considered habitually truant if the student is of compulsory school age and absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year.

Legitimate excuses for the absence of a student who is otherwise habitually truant include, but are not limited to:

- A. the student was enrolled in another school district;
- B. the student was excused from attendance in accordance with R.C 3321.04; or
- C. the student has received an age and schooling certificate.

The District's attendance officer shall file a complaint in the juvenile court against any student who is habitually truant unless the District or the student's school determines that the student and the student's family are making satisfactory progress in improving the student's attendance at school. If no determination of progress is made, or if the school determines that the student and the student's family have ceased to continue making progress in improving the student's attendance, the attendance officer shall proceed to file a complaint in juvenile court against the student. The complaint will allege that the child is unruly for being habitually truant, and the parent, guardian, or other person having care of the child has violated Revised Code 3321.38.

If a student who is habitually truant violates the order of a juvenile court regarding the student's prior adjudication as an unruly child for being a habitual truant, the student may further be adjudicated as a delinquent child.

Tiered System of More Intensive Interventions and Supports

The District implements a tiered system of interventions and supports for students to increase attendance. The system is designed to provide resources to students and their families to address the root cause of student absences. More intensive interventions and support are provided to students with greater numbers of absences.

Intervention Strategies

The term “chronically absent” means that a student has missed at least ten percent (10%) of the minimum number of hours required in the school year. In order to address the attendance practices of students and prevent students from becoming chronically absent, the District will implement one (1) or more of the following intervention strategies:

- A. provide counseling to the student
- B. request or require the student's parent to attend a parental involvement program
- C. take appropriate legal action
- D. assign the student to an alternative school
- E. Students shall not be suspended, expelled, or otherwise prevented from attending school because of the student’s absences.

Lexington High School administration will work in partnership with the Richland County Juvenile Court to implement and enforce attendance requirements in accordance with Board Policy 5200, applicable Ohio law, and the procedures and directives of the Court.

EARLY RELEASE TIME

With approval of the administration **juniors and seniors only** may be released from the seventh period study hall. Early dismissal is a privilege, not a right, and is contingent upon all the following:

1. The student is a senior with a 7th period study hall.
2. The student may forfeit their early dismissal should they enter medical status.
3. Students will provide their own transportation.
4. The student must have passing grades in all subjects in the preceding grading periods. (This includes the previous grading period from the previous year.)
5. The student has successfully completed all credit recovery courses.
6. Students may forfeit their early dismissal should they commit any suspendable violation of school rules.
7. Students will leave school immediately after their 6th period class and may not return to school until 2:40 pm on regular school days or 1:40 pm on one-hour early release days.
8. No student will be granted an early dismissal until an administrator or the attendance secretary verbally verifies receipt of this form with a parent or guardian.
9. Administration or the attendance secretary will notify students when their early dismissal begins and, for whatever reason, ends.

Early dismissal students will be expected to leave the building and school grounds immediately after 6th period and are not to return until school has ended if involved in an after-school activity. Exceptions to any part of this policy must be approved by the principal.

TARDIES TO CLASS

Students arriving late to class without a legitimate excuse will be marked as tardy. For a student to be considered 'on time' the student needs to be present in his/her classroom when the tardy bell rings. Every third tardy in a single grading period will result in a Wednesday Detention. After a student receives three Wednesday Detentions, the student will be assigned a Friday School. After three Friday Schools due to tardiness, the student will be placed in in-school-detention.

1. 1st set of Three Tardies in a Single Grading Period: Forty-five Minute Wednesday detention
2. 2nd set of Three Tardies in a Single Grading Period: Forty-five Minute Wednesday detention
3. 3rd set of Three Tardies in a Single Grading Period: Forty-five Minute Wednesday detention
4. 4th set of Three Tardies in a Single Grading Period: Three-Hour Friday School
5. 5th set of Three Tardies in a Single Grading Period: Three-Hour Friday School
6. 6th set of Three Tardies in a Single Grading Period: Three-Hour Friday School
7. 7th set of Three Tardies in a Single Grading Period: In-School Detention – two days
8. 8th set of Three Tardies in a Single Grading Period: In-School Detention – three days
9. 9th set of Three Tardies in a Single Grading Period: In-School Detention – five days
10. 10th set of Three Tardies in a Single Grading Period: The student may be suspended out of school and/or the administration may recommend expulsion

Students that are excessively late to class (more than 15 minutes) without a pass, will be marked as truant, and subject to further discipline.

Students and parents/guardians will be notified at least twenty-four hours before detention is to be served. Students serving detentions will be required to arrange their own transportation home on the day the detention is served

Students who request permission to go to their car during the school day may go but will be issued a tardy to class.

MAKE-UP WORK

Students who are absent from school must contact their teachers concerning make-up work. It is the student's responsibility to take the initiative and get the work made up within the allotted time. Tests are to be made up during a student's study hall time or after school under the direct supervision of a teacher. Tests missed due to a partial day absence are to be made up that same day if the student has a scheduled study hall. It is the student's responsibility to make these assignments up on his/her return to school.

After an excused absence all make-up work, homework and missed tests must be completed within two days for each school day missed or the grade may become an "F". There are two exceptions to this policy:

1. If a student is absent on the day immediately preceding a previously announced test and that day is used for review only, the student will be expected to take the test as scheduled.
2. If a student is absent the day of the test and was present for the review, the student will be expected to take the test on the day he/she returns to school.

When students are absent from one or several classes to attend a special activity of another class or

organization, they are expected to obtain the assignments of the missed class and keep up with their work. Since a student is not considered absent from school, the make-up policy does not apply. If possible, students should not miss class tests for special activities.

Before a student will be excused for a family vacation of more than one day, he/she must bring a note from home stating that he/she will be with a parent/guardian. A student must submit the note to the office, a minimum of two days in advance of vacation, for a pre-arrange form to be signed by each of his teachers. Failure to follow the above procedure may result in the time missed being marked “unexcused”. When the student returns, he has two days to turn in homework which was assigned during the absence. Homework assigned prior to the vacation which is due during the vacation should be turned in prior to leaving school or on the day of return to school. All tests must be made up within a period equal to the time absent. Failure to do so will result in an “F” grade. In the case of college, vocational or job shadowing visits, work assigned is due on the day of return.

*Students that miss several unexpected days of school may contact the office and we will gather the necessary study materials that can be picked up at the end of the school day.

VISITORS

Social visits are prohibited. The school policy is to accept only those visitors who have legitimate business to attend to at the school. Parents are always welcome. Students wishing to bring a guest to school must obtain prior approval from the principal’s office and secure a pass. Visitors are expected to leave promptly when their business is completed. No guests will be permitted to attend school on days immediately preceding or following vacations, during the first or last two weeks of school. Any exceptions to this policy must be approved in advance by the principal.

TEACHER/PRINCIPAL CONTACT PROCEDURES

If questions/concerns arise about anything that has happened in class, for example, a test or quiz grade or even a simple comment, parents are encouraged to use the following steps:

1. Contact the teacher either by phone, 419-884-1111 (each teacher has a phone in their room or) by email (teacher email addresses are listed on the high school web page (www.lexington.k12.oh.us)).
2. If questions/concerns remain after reaching out to the classroom teacher, contact the high school principal at 419-884-1111.

*Please note: It has been our observation over the years that most questions/concerns end after contacting the classroom teacher.

EXTRA HELP

You may always seek help from your teacher if you do not understand an assignment, if the work is difficult, or if you have been absent and have missed assignments and class discussion. Arrange a conference with your teacher before or after school, during the advisory period, or at a time convenient to both of you during the day. A teacher will sometimes request a student stay after school if it is apparent that the student is having difficulty with schoolwork. This is not to be thought of as a punishment, but rather a teacher’s desire to help you reach your full potential.

CHEATING

Encouraging and fostering a high regard for honesty and integrity is an integral part of our educational preparation. Therefore, the administration, faculty and staff will not condone or tolerate any form of cheating, plagiarism or dishonesty which may include but is not limited to use of cell phone, copying/providing homework, sharing electronic documents or files, providing test/quiz information/answers/essays, use of “cheat sheets”, use of Artificial Intelligence (AI) content generators, and use of dishonest, deceptive, or fraudulent means to obtain or attempt to attain credit for academic work. Lexington High School subscribes to Turnitin.com for both student and faculty use.

FIRST CHEATING OFFENSE – The student will receive zero points/no credit for the assignment, test, project, etc. involved; the teacher will notify the Asst. Principal or Dean of Students of the incident; and the teacher will talk with the student’s parents about the incident.

SECOND CHEATING OFFENSE REPORTED TO THE OFFICE – The student will receive zero points/no credit for the assignment, test, project, etc. involved; the student will be referred to the office and subject to disciplinary action which may include suspension.

Subsequent offenses will result in disciplinary action as per the sequence of suspendable offenses found in this handbook.

COURSE FEES

To help cover extra expenses incurred in some courses, fees are charged. These fees cannot be refunded once the course has been in progress. Students who drop yearlong courses during the first semester where fees have been paid, will be refunded half of the fee expense. This does not apply to workbooks.

Please refer to the Curriculum Guide for the School Fee List of all courses.

GRADING POLICY

The letters A, B, C, D, F, I, WD and WF shall be used to indicate student performance/proficiency in all subject areas on report cards in grades 9-12. The letters will denote the following:

- A – Excellent work
- B – Good work
- C – Average work
- D - Poor, but passing work
- F – Failure to do passing work
- I – Incomplete work

WD – Withdrawn from course (up to the midpoint of a semester course, nine-weeks or a year-long course, eighteen-weeks course will be removed from a student’s transcript)

WF – Withdrawn Failing (after the mid-point of a semester or year-long course. A letter grade of “F” will be issued for the course)

Plus (+) and/or minus (–) may be used with the above letters except with an “F” and on final course/subject grades.

LEXINGTON LOCAL SCHOOLS GRADING SCALE

Grade Scale Numerical Value

A+*	100 – 97	4.000*	C+	79 – 77	2.333
A	96 – 93	4.000	C	76 – 73	2.000
A-	92 – 90	3.667	C-	72 – 70	1.667
B+	89 – 87	3.333	D+	69 – 67	1.333
B	86 – 83	3.000	D	66 – 60	1.000
B-	82 – 80	2.667			

*the plus (+) is a recognition of effort and no additional point value

Additionally, grades are rounded to the nearest point. For example:

Any student that has earned an 89.50% will be awarded an A-.

Any student that has earned an 89.49% will be awarded a B+.

Computing Final Grades for Year-Long Courses

Final grades for all year-long courses will be determined by using four grades:

1. Letter grades for each 9-week grading period will be given the numerical value listed above.
2. Add the numerical values of the letter grades together and divide by four (4) to determine the numerical point average.
3. The numerical point average will then determine the final grade using the Final Grade Point Range for Year Long Courses.

Final Grade Point Range for Year-Long Courses

A+			
A	4.000 – 3.830	C+	2.499 – 2.165
A-	3.829 – 3.500	C	2.164 – 1.830
B+	3.499 – 3.165	C-	1.829 – 1.500
B	3.164 – 2.830	D+	1.499 – 1.165
B-	2.829 – 2.500	D	1.164 – 0.750

In order to receive credit in a year-long course, students must pass at least one grading period from each semester.

If a semester/final exam is given during either semester, then the semester/final exam grade will count toward 5% of the respective semester grade and the two semester grades will be averaged for a year-long final grade.

Computing Final Grades for Semester Courses

Final grades for all semester courses will be determined by using two grades:

1. Letter grades for each 9-week grading period will be given the numerical value listed above.
2. Add the numerical values of the letter grades together and divide by two (2) to determine the numerical point average.

3. The numerical point average will then determine the final grade using the Final Grade Point Range for Semester Courses.

Final Grade Point Range for Semester Courses

A+			
A	4.000 – 3.830	C+	2.499 – 2.165
A-	3.829 – 3.500	C	2.164 – 1.830
B+	3.499 – 3.165	C-	1.829 – 1.500
B	3.164 – 2.830	D+	1.499 – 1.165
B-	2.829 – 2.500	D	1.164 – 0.750

If a final exam is given, then the final exam grade will count toward 5% of the semester grade.

GRADING PERIODS

Grading periods at the high school (grades 9-12) shall be nine weeks in length. ProgressBook is available for parents to check grades. Parents/guardians that would like a hard copy of interim reports and grade cards to be sent home must contact the secretary in student services to make this request.

Teachers are required to have sufficient graded assignments, quizzes, tests, projects, etc., to fairly evaluate each student at the midpoint and end of each grading period.

INCOMPLETE (I) POLICY

Work may be considered incomplete and the letter grade “I” issued if a student has missed required assignments due to absences or if required assignments are submitted incomplete or unsatisfactory.

Any student who receives an incomplete grade (I) has two weeks after the last day of the grading period in which the “I” was issued to complete all required work. At the end of the two-week period, the grades will be recalculated and submitted to the principal for a new grade. Any change to this policy must be approved by the principal.

EXAM POLICY

Teachers in like courses (all English 9 courses, all biology courses, etc.) will give like tests (not identical tests) to students in those courses with respect to format (i.e. one cannot give an essay test and the other an objective test).

WEIGHTED COURSE GUIDELINES

A “weighted” course at Lexington High School is an upper-level course, a course that is accelerated in content, pace and expectations. Across the curriculum a “weighted” course will afford students opportunities to study the content area more thoroughly, to enhance technology use, to conduct independent research, and to be more realistically prepared for the rigors of post-secondary study. Prior to enrolling in a “weighted” course, students may be required to sign a contract ensuring their commitment to the course requirements and expectations. A “weighted” course will continue to receive extra value in the weighted grade-point average used for graduation honor purposes. A list of courses that are weighted can be found here in the curriculum guide.

RECOGNITIONS, ALL A'S, HONOR ROLL AND MERIT ROLL

There shall be three academic recognitions at the end of each semester:

1. All A's 4.000+ GPA
2. Honor Roll 3.500-3.999 GPA
3. Merit Roll 3.000-3.499 GPA

These recognitions shall be determined by calculating each student's non-weighted and weighted grade point average (GPA) for the concluding semester only. The highest GPA will be used.

In figuring GPA for Honor Roll and Merit Roll, quality points earned in weighted courses will be used. **The following points are assigned to final grades:**

<i>Non-weighted 4.0</i>	<i>Weighted 5.0</i>
<i>A = 4.000 points</i>	<i>A = 5.000 points</i>
<i>A- = 3.667 points</i>	<i>A- = 4.667 points</i>
<i>B+ = 3.333 points</i>	<i>B+ = 4.333 points</i>
<i>B = 3.000 points</i>	<i>B = 4.000 points</i>
<i>B- = 2.667 points</i>	<i>B- = 3.667 points</i>
<i>C+ = 2.333 points</i>	<i>C+ = 3.333 points</i>
<i>C = 2.000 points</i>	<i>C = 3.000 points</i>
<i>C- = 1.667 points</i>	<i>C- = 2.667 points</i>
<i>D+ = 1.333 points</i>	<i>D+ = 2.333 points</i>
<i>D = 1.000 points</i>	<i>D = 2.000 points</i>
<i>F = 0.000 points</i>	<i>F = 0.000 points</i>

STUDENT SERVICES CENTER

Lexington High School Department of Guidance and Counseling is committed to meeting the unique intellectual, physical, social, and emotional needs of each student. The guidance counselors are student advocates. A variety of services are provided to support this effort.

If students need help in any way, they should contact their counselor. Students can arrange appointments through the Student Services Secretary. After-hours appointments can be arranged with the individual counselors.

Counselor Alphabet Breakdown:

- A – K Mrs. Kristen McPeck, McPeck.Kristen@lexington.k12.oh.us
- L – Z Mrs. Whitney Eibon, Eibon.Whitney@lexington.k12.oh.us

Counselors assist students in the college selection process. Beginning in the junior year, students are instructed as to the appropriate sequence of activities they need to follow to identify colleges that match their needs. Counselors present information through large group assemblies, classroom guidance activities and individual conferences. Students learn how to access materials that include computer search programs, college guidebooks, catalogs, and videos. These are available in the Student Services Office. Students are also provided opportunities to attend the annual college fair in mid-September to visit with college representatives who come to our campus each fall. Every senior will be required to meet with their counselor to help guide them through the college application process.

All parents are reminded to frequently check the Student Services link on the LHS website where information on testing, scholarships, financial aid and important upcoming events can be found.

PHYSICAL EDUCATION WAIVER

The Lexington Board of Education has adopted a policy to excuse students from the high school physical education requirement for each student who, during high school, has participated in interscholastic athletics, marching band, or cheerleading for at least two full seasons. Students who wish to utilize this waiver can pick up the required forms in the office of student services.

ACADEMIC AWARDS

At the conclusion of each school year, academic awards are presented to our senior students in an evening program. National as well as local scholarships are awarded and recognized at this time. Plaques are also given to the outstanding student in each department area as well as departmental awards based on criteria set up by the individual departments.

Academic awards are presented to underclassmen at an assembly during the school day.

A recognition breakfast is given on a different date to those students in grade nine through twelve who have a 3.5 GPA through the first three grading periods of the current school year.

PARENT-TEACHER CONFERENCES

Parents are encouraged and invited to meet with teachers during their conference periods and before or after school. Teachers may also be contacted through our email system at www.lexington.k12.oh.us

MTSS (Multi-Tiered Support Systems) / INTERVENTION ASSISTANCE TEAM (IAT)

A process has been developed in which students who are “at risk” of failing their classes, despite their hard work and regular attendance to school, may receive academic assistance. The Intervention Assistance Team may consist of two classroom teachers, a guidance counselor, the school psychologist and one administrator. Students may be referred to the IAT by; 1) their classroom teachers, (2) their guidance counselor, (3) an administrator, (4) their parents/guardians, (5) themselves. The Intervention Assistance Team is only involved with a student after all standard methods of improving academic performance have not been successful. These methods include, but are not limited to, student seeks extra help before/after school by classroom teacher, more student time spent at home working on homework, placement of student to the front of the class along with other classroom strategies, etc.

The goal of the Intervention Assistance Team is to identify those students who legitimately need academic assistance and who otherwise would continue to fail without its support.

WORK PERMITS

All students working full or part time are required to secure a work permit. Students may secure the proper forms from the principal’s office. Please note: the school administration may revoke a work permit from students who are habitually tardy, absent or in violation of school rules.

SCHOOL INSURANCE

Students are provided with an opportunity to apply for school insurance as protection against injury expenses. Insurance is available for school activities only or for 24-hour, year-round coverage.

All accidents should be reported to the school office or to the athletic director/school administrator within 48 hours. Students with 24-hour insurance should report to the school or to the agency (in summer) if the accident occurs outside the school.

CHEMISTRY-PHYSICS SAFETY

Special attention is brought to section 331336.43 of the Ohio Revised Code, which requires all chemistry/physics students to wear industrial quality eye protective devices and closed-toe shoes at all times while participating in such course or laboratory work.

CLINIC SERVICES

If a student becomes ill in school, he/she must ask for a pass to the nurse. Students must not leave the building without authorization. Students that leave without permission from the office are subject to discipline.

MEDICATION ADMINISTRATION POLICY

Students requiring medication (prescription or over the counter) during the school day shall be administered said medication under the following provisions:

1. A prescribing physician shall indicate the medication is essential during the school day.
2. The "Administering Medication Statement" must be filled out completely each year, signed and filed with the building principal prior to the time any medication is to be administered.
3. Only the designated person(s) may administer medications to students.
4. A copy of the "Administering Medication Statement" shall be supplied to the designated person prior to the time medications are to be administered.
5. The parent/guardian shall be responsible for informing the building principal and school nurse, in writing, of any change in a students' health and/or medication.
6. The building principal shall designate a locked storage area within the building to which all medications shall be taken for storage. Medications requiring refrigeration shall be stored in an area not commonly frequented by students.
7. No employee of this district shall be required to administer medications if that employee objects to doing so.

STUDENT VALUABLES

Students are cautioned not to bring large amounts of money, and/or electronic devices to school, and if they wear glasses or watches, to keep track of them at all times. STUDENTS, NOT THE SCHOOL, ARE RESPONSIBLE FOR THEIR PERSONAL PROPERTY. IF IT IS NECESSARY TO BRING MORE MONEY THAN NEEDED TO PAY FOR LUNCH, LEAVE IT AT THE OFFICE FOR SAFE KEEPING. DO NOT LEAVE IT IN YOUR LOCKER. STUDENTS IN PHYSICAL EDUCATION CLASSES AND STUDENTS WHO PARTICIPATE IN AFTER SCHOOL ACTIVITIES SHOULD ESPECIALLY TAKE HEED TO NOT LEAVE THEIR PERSONAL BELONGINGS IN AN UNSECURED STATE.

LOST AND FOUND

Lost and found items are placed near the cafeteria entrance. Small or valuable items that are turned in will be kept in the office.

FIRE, TORNADO, AND SECURITY INSTRUCTIONS

Fire and security drills will be held each month, and tornado drills will be held in March, April, and May to comply with state law and to familiarize students with what to do should any of these emergencies occur. Instructions for fire and tornado drills are posted in each classroom. Two keys to success in these drills are:

- 1.) Listening to the instructor's directions, and
- 2.) Carrying out those directions as quickly and silently as possible.

CARE OF SCHOOL PROPERTY

Students should not mark school furniture, walls, ceilings, floor or equipment with pen, pencil or paint or any other instrument. Do not tamper with the fire alarms, fire extinguishers, panic buttons and/or defibrillators or any electrical systems. Anyone who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students will be referred to the proper law enforcement agency in addition to receiving school discipline.

TEXTBOOKS / CHROMEBOOKS

All basic textbooks and Chromebooks are loaned to students for their use during the school year. These items are to be kept clean and handled carefully. Please be sure your name is printed in ink for each book in case it is misplaced. Sorry, but we do charge you a fine based on the principal or teacher's judgment for abuse, damage, or lost items. Students should examine textbooks and Chromebooks they are issued and immediately report any visible damage to the issuing teacher. **Students are expected to use book covers on all school textbooks.**

LOCKERS

Lockers are school property and, as such, are subject to periodic inspections. Since lockers are a permanent part of the building, students are expected to keep them in good, usable condition. The lockers in our high school can be assigned in student services. They are available on a 'first come, first serve' basis. The lockers have built in locks that remain open if not in use by another student. After being assigned a locker, students will secure items inside the locker using their own PIN code. The sharing of lockers or PIN codes between students is prohibited. The locker cannot be opened without their code or a key from an administrator.

STUDY HALLS

Each student in the study hall must have something with which to occupy himself/herself for study purposes. Study hall teachers may issue passes to the office, counselor's office, and to the restrooms in emergency cases. Students desiring to see a teacher other than their study hall teacher must have previously obtained a pass from that teacher. If the student is to remain with the teacher all period, this to be indicated on the pass. In addition, the cell phone policy applies like it would in the classroom setting and should only be used with teacher permission for academic purposes.

CAFETERIA

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. The lunchroom management and your fellow students will appreciate your cooperation in:

- Depositing all litter in wastebaskets
- Returning all trays and utensils to the dishwashing area
- Leaving the table and floor around your place in a clean condition for others
- Lining up in an orderly fashion
 - Line cutting is prohibited
 - Giving money to another student to purchase a lunch to avoid the line is prohibited
- Students are restricted to the cafeteria during lunch. ALL other areas of the building and grounds are off limits. The only exception to this rule is the courtyard area and may only be used when deemed 'open' by the administration.
- Students are expected to arrive in the cafeteria (and/or the courtyard when open) within the four-minute class change when their lunch period starts
- Students may only purchase food or drinks from the cafeteria during their assigned lunch times.
- Students are not permitted in the cafeteria outside of their scheduled lunchtime or study hall.
- Students may not have food delivered from outside eating establishments to the school at any time
- Students who violate the cafeteria policies will be subject to disciplinary action
- A pass must be obtained from a classroom teacher to leave lunch or arrive late
- Students will not be permitted to leave the lunchroom without a pass
- No food or drink can be taken out of the designated eating areas
- The procuring of money from other students during the lunch hour is not permitted
 - Students should make their financial arrangements before they go to lunch
 - Should a financial need exist, students are encouraged to contact the cafeteria supervisor
 - There are no provisions for students to charge their lunch. However, students/parents may pay ahead for the week or month.

PUBLIC DISPLAYS OF AFFECTION

School is not the place for public displays of affections. Students involved in such activities beyond hand holding will face disciplinary actions.

HALL COURTESY

School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition “harassment, intimidation, or bullying”.

- **Confidentiality** – The right to confidentiality, both of the complainant and the accused, will be respected consistent with the district’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

The investigation shall include a conference with the accused and the complainant, as well as all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

- **Remedial Actions** - Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying will end as a result. bullying can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of “harassment, intimidation, or bullying” as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

- **Non-Disciplinary Interventions** – When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying. - In addition to the prompt investigation of complaints of harassment, intimidation or bullying and direct intervention when acts of harassment, intimidation or bullying are verified, other district actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

CO-CURRICULAR ACADEMIC ELIGIBILITY REQUIREMENTS

At Lexington High School, all students choosing to participate in co-curricular activities will be expected to set as their top priority their role as a student. Each participant in a co-curricular activity will be expected to set a positive example in the classroom by his/her positive attitude, high level of integrity, attendance and punctuality, and work ethic.

The academic requirements as set forth by the Ohio High School Athletic Association (as detailed below) as well as the school board adopted GPA and failure policy will be used to determine eligibility for all students wishing to participate in a co-curricular activity.

OHSAA Bylaw 4-4-1 In order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. Furthermore, during the preceding grading period, the student must have received passing grades in a minimum of five (5) one credit courses or the equivalent, each of which counts toward graduation.

EXCEPTION I: The Commissioner's office may waive this requirement for a student in his/her 12th and final year of school who: (a) had accumulated sufficient credit hours to have graduated in the preceding semester; (b) maintains a grade point average in the top ten percent of the student's class; and (c) can demonstrate that the underlying purpose of this bylaw have been otherwise fulfilled by the student.

EXCEPTION II: The Commissioner’s office may waive the enrollment requirements of this bylaw provided the student has been withdrawn or removed from school because of circumstances due to personal accident, illness or family hardship. An appeal for such a waiver must come from the principal of the school and be in writing. The appeal for waiver shall contain documents with school and medical supporting evidence.

EXCEPTION III: If a student’s failure to meet the requirements of this bylaw are due to an “incomplete” given in one or more courses which the student was taking during the grading period in question, the student may have his/her eligibility restored by the Commissioner’s office once the “incomplete” has been changed to a passing letter grade provided:

- The failure to complete the required coursework during the grading period was due to calamity day(s), family tragedy, or illness or accident as verified by a physician; and
- The incomplete was given in accordance with Board of Education/other governing board adopted policies and procedures and is applicable to all students in the school; and
- The previously scheduled work and/or exams is/are completed within the time period provided in Board policy for completing work required to convert an “incomplete” into a letter grade.
- There is no evidence that the ‘incomplete’ was given in order to afford the student extended time to provide the student tutoring or other educational services simply to avoid a failing grade.

NOTE: This exception only applies where an “incomplete” has been issued and not a letter grade that is subsequently changed as a result of the extended time/additional work.

OHSAA Bylaw 4-4-3 The eligibility of ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from immediately preceding grading period become effective. For purposes of this bylaw, “school day” includes faculty in-service days, calamity days and regular school attendance days but not holidays or school breaks.

EXCEPTION 1: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season.

EXCEPTION 2: A student coming off the “ineligible status” may become eligible 24 hours after the mandatory grade reporting date (a date established by the Board policy which cannot be the same day as the end of the grading period) established by the Board of Education or other similar governing body for that school’s district, provided said grade reporting date is applicable to all students in that district (See template for Board policy at www.ohsaa.org)

OHSAA Bylaw 4-4-4 A student enrolled in the first grading period after advancement from eighth grade must have passed a minimum of five (5) one credit courses, or the equivalent of those subjects carried the preceding grading period in which the student was enrolled.

HOUSE BILL 215

In accordance with the passage of House Bill 215, Lexington Local Schools has established the following additional eligibility requirements:

- A student must achieve a grade point average (GPA) of 1.0 or higher each grading period in order to be eligible to compete during the next grading period.
- Any student receiving an incomplete (I) in a subject will have that “I” averaged as an “F” in figuring the GPA until all work is completed.

- The student may practice and travel with the team or group during this denial of participation period, at the individual coach's discretion.
- When the odor of alcohol or other illegal substance on a student's breath or on his/her person is substantiated, the student, with parent consent, may take a drug/alcohol test to be determined by the school and administered by an agency selected by the school. This test must be taken immediately. If the result of the test indicates that the student's system was void of drugs/alcohol, the violation will be voided.
- If a student fails a school administered drug test, the parent may request an additional test be administered by a licensed drug testing agency selected by the school administration. This must be the same type of test as administered by the school and must be administered immediately. OHIO HIGH SCHOOL ATHLETIC ASSOCIATION ELIGIBILITY BYLAWS

As it pertains to the most current eligibility bylaws set forth by the Ohio High School Athletic Association, these bylaws can be found on the OHSAA website under the "Eligibility" tab at: ohsaa.org.

- A. Boards of Education may modify the Bylaw of the OHSAA provided the modifications are more restrictive than the provisions within the OHSAA Bylaws.

LEXINGTON BOARD OF EDUCATION HIGH SCHOOL ELIGIBILITY POLICY

1. In order to be academically eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. The term "grading period" is defined as the school's Board-adopted calendar (e.g., six week, nine week, 12 week or semester) and does not mean an interim marking period. Furthermore, at the conclusion of the preceding grading period, the student must have received passing grades in a minimum of five (5)

one-credit courses or the equivalent, each of which counts toward graduation. “Immediately preceding grading period” refers to the grading period of the school which immediately precedes the grading period in question.

2. A student declared ineligible may continue to practice with the team but may not participate in official contests.

QUITTING A SPORT

An athlete who quits a sport is not eligible to participate in another sport during the same season or the next season, including pre-season conditioning programs, until the completion of the season of the sport he/she has quit. This rule also applies to an athlete dismissed from a team due to disciplinary reasons. Any exceptions to the quitting policy must be agreed upon by all parties concerned (coaches, Athletic Director, athlete, parents) An athlete is considered an official member of a team when he/she participates for two weeks from the official day of team practice or participates in an official game.

THE PURPLE BLANKET AWARD

The coaching staff and administration believe that special recognition should be given to an athlete who excels in both multiple sports and academics over a high school career. The purple blanket is designed to recognize a combination of athletic and academic excellence based on a point system. The blanket will be presented to any senior who has accumulated a total of 18 points during his/her four years of high school athletics. It is hoped that this award will encourage participation in several sports by an athlete.

An athlete accumulates points as follows:

Varsity Letters - 2 points each
GPA 2.0 - 2.59 = 2 points
GPA 2.6 - 3.49 = 4 points
GPA 3.5 - 4.0 = 6 points

The award will be a rectangular purple blanket with a gold border and a gold “L” stitched onto the middle of it accompanied by the athlete’s name, sports and years lettered stitched in script in the lower right hand corner of the blanket.

Every effort will be made by the athletic department to have blankets ready for presentation at the general assembly of the spring sports awards program.

STUDENT SECTIONS & SPECTATOR SEATING

To ensure a safe, positive, and energetic atmosphere at all athletic contests, the Ohio Capital Conference (OCC) and our member schools require all spectators to sit in specifically designated seating areas within each athletic venue. Adherence to these guidelines keeps the focus where it belongs: supporting our student-athletes.

1. **Designated Seating Areas:** Schools reserve the right to designate specific seating areas for different spectator groups. All attendees are expected to strictly follow posted signage and all directions from school administrators, event staff, game management personnel, and law enforcement.
2. **Section Restrictions:** To maintain sportsmanship and safety, students must remain in the student section or general admission section **designated for their own school**. Entering or occupying the opposing school's designated student section is strictly prohibited.
3. **Student Section Access & ID:** Students attending both OCC and non-conference contests may be required to present a valid school identification card to enter designated student sections.
4. **Administrative Authority:** Host school administration has the full authority to direct spectators to appropriate seating locations. Event personnel may remove any individual who refuses to comply with seating assignments, posted signage, or staff directives.
